

THE AIR FORCE IS DEFENDING FREEDOM!

We're in the fight in Iraq and Afghanistan helping protect America's sons and daughters through aerial imagery, combat support, medical support, and air refueling. We also save lives through our extensive humanitarian relief operations. The Air Force continues to play a strategic role in the defense of the country both now and in the future.

What Your Air Force is Doing Today

We fly approximately 300 daily sorties for Enduring Freedom / Iraqi Freedom

★ GLOBAL VIGILANCE

- There are 15 satellites and untold number of Air Force aircraft "parked" over Baghdad providing the 24-hour a day coverage for our Airmen and Soldiers on the ground.

★ GLOBAL REACH

- One Air Force mobility aircraft departs every 90 seconds...24/7/365.
- 250 flights, moving 200,000 lbs, and 2,500 people.
- Air Force airlift takes 8,000 Airmen and Soldiers off the roads of Iraq every month. Instead of taking the supplies into and out of Iraq by roadways, and exposing Americans to IEDs and snipers, we fly over the threat.

★ GLOBAL POWER

- 80 strike missions in Iraq and Afghanistan and 40 fighters on alert for Homeland Defense.

Air Force Week

June 4-10, 2007

www.beale.af.mil/airforceweek

Welcome to Air Force Week 2007

On behalf of Air Combat Command and Beale AFB, I invite the community to celebrate Air Force Week, Air Force Heritage and the California Capital Air Show.

It's a pleasure to be neighbors in the Sacramento and northern California communities. We invite you, our friends and neighbors to help us celebrate Air Force Week and our proud 60 years of Air Force heritage by participating in the numerous events that are taking place in the Sacramento community and here at Beale.

Beale and our Airmen continue to play a pivotal role in winning the war on terror. Not only do Beale's U-2 and Global Hawk aircraft provide timely high-altitude reconnaissance products to commanders on the ground, but over 1,500 Beale Airmen are deployed every year to over 30 locations spanning the globe.

On behalf of the 10,000 airmen, family members and civilians assigned at Beale Air Force base, I extend to you a heartfelt thank you for participating in this exciting week. We are honored to serve you, we thank you for your patriotism and support, and we look forward to seeing you this week!

Brigadier General H. D. Pumbo, Jr.
Commander, 9th Reconnaissance Wing
